

## Instructions

Here's some code to try

## Blocks

Actions  
Color  
Functions  
Loops  
Math  
Variables

```
when run
  set width 1
  for counter from
    move forward
    turn right by
```

## Lesson Name

## Progress

1. Introduction to Computer Sci...

Unplugged Activity

2. The Maze

Unplugged Activity

3. Computational Thinking

Unplugged Activity

4. Graph Paper Programming

Unplugged Activity

5. The Artist

Unplugged Activity

6. Algorithms

Unplugged Activity

7. The Artist 2

Unplugged Activity

8. Functions

9. The Farmer

10. Conditionals

11. The Artist 3
